

From the people who brought you Plaforization™

A giant step forward in the evolution of pretreatment

GET TORAN™ TOUGH!

TORAN™ Organic Passivation – take Plaforization’s simplicity and economic/operational benefits and ramp it up with improved corrosion resistance, adhesion and impact resistance. TORAN™ - a product so great, it’s scary.

Toranosaurus rex [(tohr-ran-uh-sawr-uhs reks)]
A huge, incredible improvement in pretreatment technology. Its name is from the Greek words meaning “one-step” and “simple” and the Latin word for “king.”

R Evolution in Pretreatment.
